Curio Design Inc. recalls Modular Lights and Bases

Report a Concern

Starting date:	March 8, 2017
Posting date:	March 8, 2017
Type of communication:	Consumer Product Recall
Subcategory:	Household Items, Tools and Electrical Products
Source of recall:	Health Canada
Issue:	Electrical Hazard
Audience:	General Public
Identification number:	RA-62504

- [Affected products](#)
- [What you should do](#)

Affected products

Modular Lights and Bases

Product description

This recall involves three Splyt Light modules including the Table Starter Kits, Hanging Starter Kits, Expansion Kits and Tri-bases. The kits let you design your own light fixture by adding or subtracting Y-pieces and candelabra bulbs. The lights can be screwed directly into a light socket in the ceiling or used with the table base. The kits include large and small Y-shaped fixtures, a round-metal base and 8x10 watt globe E12 light bulbs.

Hazard identified

The modular lamp pieces can crack during assembly and the lamp bases have faulty wires, posing a shock and fire hazard.

As of February 24th, 2017, the company has received no reports of cracked modular lamp pieces in Canada, and no reports of injuries.

Number sold

Sixteen units of the affected products were sold in Canada online at www.Kickstarter.com and www.UncommonGoods.com.

Time period sold

The recalled products were sold from April 2016 to November 2016.

Place of origin

Manufactured in Taiwan.

Companies

Distributor	Curio Design Inc. Culver City California UNITED STATES
